De Beque Town Newsletter

Letter from the Town Manager

We would like to thank all of the Mesa County residents that attended our joint De Beque Board of Trustees and Mesa County Administration meeting. Your participation in the Town Government is key to the Community's success. It was nice to see our Municipal Judge's take the Oath of Office as well.

The Community has also taken advantage of the free dumpster for in-Town residents and our enforcement program has been fruitful. New seals and modifications have been completed for the sewer lift near Kum & Go. Kudos to our Public Works department for repairing all of the leaks that arise with irrigation systems each spring. The Kobe Water Authority will stop pumping June 1st. It was nice to collaborate with them for the month of May, saving the Town money, and avoiding a call on the ditch.

We are gearing up for Wild Horse Days and are excited for the energy and ideas of our volunteers. The Town Recreation Department welcomes wrestling to it's programs as the Town was able to obtain heavily discounted mats from CMU.

We continue to work on obtaining funding for the Water Plant and other proposed projects. At the time of this writing the Town has 4 grant applications pending, one grant in the works, and 2 successfully closed. Thank you to the Board of Trustees for providing the funding to leverage matching funds.

Stay cool this summer and let it rain.

Care' McInnis
Town Administrator
