

TOWN OF DE BEQUE
APPLICATION for Building Permit/Zoning
Compliance Approval

Important - Please Read the Following Information Carefully

Any site preparation, new construction, or major remodel requires a Building/Zoning Compliance Approval. A Development Improvement Agreement with financial guarantee

may also be required for any public improvements required as part of this application. Applicants are also required to obtain a building permit from Mesa County, the building code administrative entity for De Beque. Applicants are encouraged to prepare a separate project narrative to accompany all submitted materials. This narrative should be organized and include a table of contents, page numbers and similar information to facilitate review by town staff and elected/appointed commissions. If a separate narrative is submitted, this application form shall reference the narrative, as necessary.

*It is the applicant's responsibility to obtain, read and understand all of the relevant sections of the DeBeque Municipal Code applicable to this procedure. Please keep in mind that more than one section of the code may apply to your application. These regulations are available through the Town of DeBeque municipal offices or on-line <http://debeque.org/>. If you do not understand portions of the Code concerning your application, please ask questions. Failure to complete the application, submit **all** of the required materials or answer questions completely and accurately may result in a delay and processing or a rejection of the application as incomplete. All fees including Use Tax must be paid in full at the time of application. Public meetings or public hearings will **not** be scheduled for an application until it is deemed complete by the Town. Each applicant should take the time necessary to submit a complete and comprehensive application. Mark N/A on items not relevant to your project. Town staff is available to direct the applicant to appropriate sources of information.*
